PROFESSIONAL SUMMARY

Detail-oriented and highly organized Virtual Assistant and AI Video Editor with over three years of experience supporting AI data annotation, search engine evaluation, data validation, and quality assurance projects through Appen/CrowdGen. Skilled in short-form video editing, UGC-style content, AI-generated videos, AI voiceovers, and social media content creation using tools such as CapCut, Canva, ElevenLabs, and other AI-powered creative tools. Experienced in email and calendar management, HubSpot CRM, data entry, Google Workspace, Microsoft Office, WordPress, and administrative support, with strong communication, problem-solving, creativity, and organizational skills.

PROFESSIONAL EXPERIENCE

DATA ANALYST / DATA SPECIALIST

Oct 2022 – May 2026

Appen (CrowdGen)

- Performed AI data annotation and labelling for machine learning projects.
- Conducted search engine evaluation following detailed client guidelines.
- Reviewed, validated, and maintained large datasets with high accuracy.
- Completed internet research and data verification tasks.
- Ensured quality standards while consistently meeting project deadlines.
- Worked independently across multiple projects while maintaining productivity and confidentiality.

PORTFOLIO AND PERSONAL PROJECTS

AI VIDEO EDITING & CONTENT CREATION

- Created short-form videos, UGC-style ads, and social media content using AI-powered tools.
- Edited videos with CapCut and created AI voiceovers using ElevenLabs.
- Used Canva and AI video generation tools to create engaging visuals, graphics, and promotional content.
- Developed video concepts, scripts, captions, and scene prompts for marketing and social media.

WEB DESIGN, WORDPRESS & SHOPIFY PROJECTS

- Built responsive websites using HTML, CSS, WordPress, Astra, Elementor, and Shopify.
- Designed and customized landing pages, product sections, navigation, contact sections, and footers for desktop and mobile devices.
- Created e-commerce layouts with a focus on user experience, visual design, responsiveness, and functionality.
- Designed e-commerce layouts with a focus on user experience, visual presentation, and functionality.

CRM & ADMINISTRATIVE SUPPORT

- Managed HubSpot CRM contacts, companies, deals, sales pipelines, and follow-up tasks.
- Organized emails using labels and priority systems and maintained calendar schedules, meetings, and recurring events.
