PROFESSIONAL SUMMARY

Detail-oriented and highly organized Virtual Assistant with over three years of experience supporting AI data annotation, search engine evaluation, data validation, and quality assurance projects through Appen/CrowdGen. Hands-on experience with email management, calendar management, HubSpot CRM, data entry, Google Workspace, Microsoft Office, WordPress, and administrative support through practical projects. Strong communication, problem-solving, and organizational skills with a commitment to delivering accurate, efficient, and reliable support.

PROFESSIONAL EXPERIENCE

DATA ANALYST / DATA SPECIALIST

Appen (CrowdGen)

Oct 2022 – May 2026

- Performed AI data annotation and labeling for machine learning projects.
- Conducted search engine evaluation following detailed client guidelines.
- Reviewed, validated, and maintained large datasets with high accuracy.
- Completed internet research and data verification tasks.
- Ensured quality standards while consistently meeting project deadlines.
- Worked independently across multiple projects while maintaining productivity and confidentiality.

VIRTUAL ASSISTANT PROJECTS

HUBSPOT CRM PRACTICE

- Created contacts, companies, deals, and sales pipelines.
- Managed follow-up tasks and updated CRM records.

EMAIL & CALENDAR MANAGEMENT

- Organized inboxes using labels and priority systems.
- Scheduled meetings, recurring events, and time-blocked calendars.

WORDPRESS WEBSITE PROJECT (HAVEN BREW)

- Built a responsive landing page using WordPress and Astra.
- Customized hero, about, contact, and footer sections for desktop and mobile responsiveness.

VIRTUAL ASSISTANT PORTFOLIO WEBSITE

- Designed and developed a responsive portfolio using HTML, CSS, JavaScript, and GitHub Pages to showcase projects and skills.
